ORDER GRANTING MOTION
TO FILE STATUS REPORT WITHIN 60 DAYS

Issue Date October 20, 2008

Effective Date: October 20, 2008

On August 21, 2008, the Commission directed the Staff of the Commission to file a recommendation in this matter no later than October 15, 2008. On October 15, Staff filed a motion requesting that it be allowed to file a status report within 60 days rather than a recommendation. Staff explains that it is working with Jerry Reed to obtain technical information necessary to evaluate the application. Additionally, Staff explains that Mr. Reed also intends to operate as a not-for-profit corporation and that the additional time is needed to organize as such.

The Commission has reviewed Staff's motion and finding it reasonable will grant the requested relief.

THE COMMISSION ORDERS THAT:

1. The Staff of the Commission's motion to file a status report within 60 days is granted.
2. The Staff of the Commission shall file a status report no later than December 20, 2008.

3. This order shall become effective upon issuance.
