## OF THE STATE OF MISSOURI

In the Matter of the Cancellation of the Certificate     )  
of Service Authority and Accompanying Tariff of     )  
Telecom Resources, Inc. d/b/a TRINetwork, Inc.     )     **Case No. XD-2006-0392**

### **ORDER CANCELING CERTIFICATE AND TARIFF**

Issue Date: April 25, 2006

Effective Date: May 5, 2006

This order cancels the certificate of service authority to provide interexchange telecommunications services granted to Telecom Resources, Inc. d/b/a TRINetwork, Inc., along with its accompanying tariff.

On April 11, 2006, the Staff of the Commission filed a motion to open a case and to cancel Telecom Resources' certificate of service authority and accompanying tariff. Staff's motion indicates that Telecom Resources has contacted Staff and has requested that it be allowed to relinquish its certificate in Missouri. The company told Staff that it no longer intends to provide interexchange telecommunications service in Missouri. Staff confirms that the company owes no assessments or annual reports. The Staff notes that since receiving its certificate, Telecom Resources has never reported receipt of any Missouri jurisdictional revenues. The Staff also notes that no complaints have been filed with the Commission against Telecom Resources since the commencement of the Electronic Filing and Information System.

The motion states that the Commission granted Telecom Resources a certificate of service authority to provide intrastate interexchange telecommunications services in May

1998, in Case No. TA-98-412. The company's intrastate interexchange tariff, P.S.C. Mo. Tariff No. 1, was approved in the same order.

Staff served copies of its motion on Telecom Resources, but the company has not filed a response.

The Commission has the authority to cancel a telecommunications corporation's certificate under Section 392.410.5, which states, "Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected." Since no one has requested a hearing, the Commission may grant the relief requested based on Staff's verified motion which is entered into evidence.

Based on Staff's uncontested motion, the Commission finds that Telecom Resources' certificate and accompanying tariff should be canceled.

**IT IS ORDERED THAT:**

1. The certificate of service authority to provide intrastate interexchange telecommunications services granted to Telecom Resources, Inc. d/b/a TRINetwork, Inc., in Case No. TA-98-412, is canceled.
2. Telecom Resources, Inc. d/b/a TRINetwork, Inc.'s intrastate interexchange tariff, P.S.C. Mo. Tariff No. 1, is canceled.
3. This order shall become effective on May 5, 2006.

4. This case may be closed on May 6, 2006.
