Dear Ms. Kadlec and Mr. Nelson:

Re: Notice of Receipt of Petition to Promulgate Rules

As required by Section 536.041, RSMo 2000, the Commission is sending you this letter to inform you that on November 9, 2012, Missouri-American Water Company filed a petition asking the Public Service Commission to promulgate rules to implement a periodic rate adjustment mechanism for water corporations. Such mechanism would relate to the water corporation's costs of compliance with any federal, state, or local environmental law, regulation, or rule. The petition represents that the Commission has authority to promulgate such a rule under Section 386.266 RSMo (Supp. 2011). The Commission will consider Missouri-American's petition and may take further action as appropriate. In compliance with the statute, I have attached a copy of the rulemaking petition.

Sincerely,

Morris L. Woodruff
Chief Regulatory Law Judge
