**ORDER DIRECTING NOTICE AND SETTING DATE  
FOR SUBMISSION OF INTERVENTION REQUESTS**

Issue Date: September 9, 2011

Effective Date: September 9, 2011

On August 26, 2011, pursuant to Section 393.170, RSMo 2000, and Commission Rules 4 CSR 240-2.060, 4 CSR 240-3.305, and 4 CSR-3.600, Missouri-American Water Company (hereafter "MAWC") filed two applications (as captioned in the style of these cases above) with the Missouri Public Service Commission. MAWC requests that the Commission grant it authority to install own, acquire, construct, operate, control, manage, and maintain water and sewer systems for the public in an incorporated village of Christian and Taney Counties, Missouri.

The water and sewer service is to be provided to the Saddlebrooke Subdivision, which consist of approximately 70 homes. In compliance with Commission Rules 4 CSR 240-3.305 and 4 CSR 240-3.600, MAWC provided a full legal description of its proposed water and sewer district, plat maps, and the names and addresses of no fewer than ten persons residing in the proposed service area. Additionally, MAWC filed a feasibility study and plans to file a franchise from Saddlebrooke.

The Commission finds that notice of these applications should be given to the general public and interested parties and a date for intervention of proper parties should be set. The Commission's Data Center shall mail a copy of this notice to the County Commissions of Christian and Taney Counties, and to the Department of Natural Resources of the State of Missouri. In addition, the Commission's public information officer shall make notice of this order available to the media serving Christian and Taney Counties and to the members of the General Assembly representing those counties.

The requirement of a hearing has been fulfilled when all those having a desire to be heard are offered an opportunity to be heard. If no proper party or governmental entity is granted intervention, and neither the Commission's Staff nor the Office of the Public Counsel requests a hearing, the Commission may determine that a hearing is not necessary for a determination on these applications.<sup>1</sup>

**THE COMMISSION ORDERS THAT:**

1. The Missouri Public Service Commission's Data Center is ordered to serve notice as described in the body of this order.
2. The Missouri Public Service Commission's information officer is ordered to serve notice as described in the body of this order.
3. Any proper person wishing to intervene in this matter shall file an application no later than September 29, 2011. Such applications shall be filed with:
