On November 5, 2014, the Commission issued an order granting a Certificate of Convenience and Necessity to Missouri-American Water Company, authorizing the company to own and operate water and sewer systems in Lincoln County, Missouri. In that order, the Commission authorized the company to file revised tariff sheets reflecting the approved authority.

On January 2, 2015, the company filed revised tariff sheets intended to comply with the Commission's order. Those sheets bear an effective date of February 1, 2015. However, the company requested approval of the tariff sheets as soon as possible to reflect its currently-operating systems.

On January 8, 2015, the Staff of the Commission filed a recommendation informing the Commission that the proposed tariff sheets are in compliance with the Commission's order. Staff recommends that the tariff sheets be approved no earlier than two days after the Commission's order approving them.

Upon review of the company's pleading and Staff's recommendation, the Commission finds that the tariff sheets comply with the Commission's order and, upon a finding of good cause, will approve the tariff sheets to go into effective on January 14, 2015.
