RE: Case No. ZD-2003-0225

Dear Mr. Roberts:

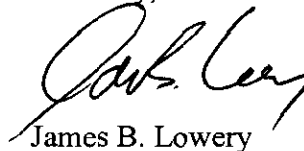

By Order effective March 10, 2003, the Commission cancelled the Shared Tenant Services Certificate originally issued to James R. Estes and Sara S. Estes in original Commission Case No. TA-91-392. While the March 10, 2003 Order makes clear that it is the Certificate issued to the Estes that was being cancelled, the caption on the first page of the Order references another tenant certificate, which I believe might have been inadvertently picked up from the original request that I filed which had erroneously switched the captions. As the March 10 Order indicates, I filed an amended application correcting that error.

The correct caption should be as follows: In the Matter of Certificate of Service Authority to Provide Shared Tenant Services within the State of Missouri Issued to James R. Estes and Sara S. Estes.

I thought perhaps the Commission would want to correct this minor error for the record and am therefore bringing it to your attention.

Should you have any questions, please feel free to contact me.

Sincerely,

James B. Lowery

tai
