**STAFF RECOMMENDATION**

**COMES NOW** the Staff of the Missouri Public Service Commission (Staff) and for its recommendation respectfully states:

1. In the attached Memorandum, labeled Appendix A, the Staff recommends that the Missouri Public Service Commission (Commission) grant Extenet Systems, Inc. (Applicant) a certificate of service authority to provide interexchange telecommunications services and local exchange telecommunications services restricted to dedicated private line services. The Commission shall grant an application for a certificate of telecommunications service authority upon a finding that the grant of authority is in the public interest. All services provided by a competitive company must be classified as competitive. Section 362.361.3 RSMo (2000).

3. Staff recommends that the Commission approve the waivers listed in the Notice of Applications. The Commission may waive the application of its rules and certain statutes if

the Commission determines that waiver is consistent with the purposes of Chapter 392. Sections 392.185, 392.361.5 and 392.420.

4. Staff has no objection to Applicant's proposed tariff taking effect on December 22, 2006.
