ORDER DIRECTING SPECIFIC BRIEFING AND RESETTING BRIEFING
SCHEDULE

Issue Date: May 23, 2007

Effective Date: May 23, 2007

The Commission held an evidentiary hearing in this matter on April 18, 2007.¹ The Commission set the filing deadline for post-hearing briefs for May 31, 2007. The Commission will direct the parties to include in their briefs an analysis of whether this State Commission has the authority to waive Federal requirements for Eligible Telecommunications Carrier designation that are statutorily required or codified in the Communications Act of 1934, as amended by the Telecommunications Act of 1996 , Title 47 of the United States Code, and Title 47 of the Code of Federal Regulations. If any party should advocate the position that this Commission has such authority, it shall, with particularity, identify the legal authority supporting that position.

Because the Commission is adding this requirement to the parties' briefs, it will extend the deadline for filing briefs until June 4, 2007.

¹ All dates throughout this order refer to the year 2007 unless otherwise noted.

IT IS ORDERED THAT:

The parties to this action shall include in their briefs an analysis of whether this State Commission has the authority to waive Federal requirements for Eligible Telecommunications Carrier designation that are statutorily required or codified in the Communications Act of 1934, as amended by the Telecommunications Act of 1996, Title 47 of the United States Code, and Title 47 of the Code of Federal Regulation, as described in the body of this order.
