Issue Date: June 22, 2005

Effective Date: June 22, 2005

Various subsidiaries of rural electric cooperatives have filed applications asking the Commission to cancel their certificates of service authority to provide telecommunications services. Those applications have been consolidated into this single case. Before the cases were consolidated, the Staff of the Commission filed recommendations in three of the cases asking the Commission to deny the applications and set this matter for hearing. With these cases now having been consolidated, Staff's recommendations will apply to all of the applications and Staff is relieved of any obligation previously imposed in any of the cases to file additional recommendations.

Before the Commission proceeds, it would like to have suggestions from the parties regarding an appropriate procedural schedule.

**IT IS THEREFORE ORDERED:**

1. That the parties shall consult with each other and jointly file a proposed procedural schedule not later than June 30, 2005.

2. That this order shall become effective on June 22, 2005.
