BEFORE THE PUBLIC SERVICE COMMISSION OF THE STATE OF MISSOURI

Cancellation of Certificate of Service)	
Authority and Cancellation of Tariff of)	File No. XD-2011-0
D.D.D. Calling, Inc.)	

STAFF MOTION FOR CANCELLATION

COMES NOW the Staff of the Missouri Public Service Commission and moves for the Commission to cancel the certificate of interexchange service authority in Missouri of D.D.D. Calling, Inc. ("the Company) and states as follows:

- 1. On June 20, 1996, the Commission granted a certificate of interexchange service authority to the Company in Case No. TA-96-351.
- 2. On December 27, 2010, the Company contacted Staff and requested that its certificate of service authority be cancelled. See Attachment A. Although such requests are usually assigned a BCES tracking number and forwarded to Staff counsel, in this instance, the matter was docketed as an Application to Withdraw. The Commission's rules require that pleadings, such as an Application, be filed by an attorney licensed to practice in Missouri. The Staff believes the BCES filing system is the more efficient method for dealing with withdrawal requests and therefore requests that File No. XD-2011-0181 be closed and the matter be handled in this case.
- 3. Because the Company requested cancellation of its certificate and it is not providing services in Missouri, Staff recommends the Commission cancel the certificate.
- 4. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides "[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."
- 5. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

WHEREFORE, the Staff respectfully recommends the Commission cancel the tariff and certificate of service authority of D.D.D. Calling, Inc. to provide interexchange telecommunications service in Missouri, and that it close XD-2011-0181 with no further action.

Respectfully submitted,

Colleen M. Dale
