RE: File No. XD-2011-0205  
Cancellation of Certificate of Service Authority and Cancellation of Tariff of  
Intrado Communications Inc.

Dear Ms. Dale:

Intrado Communications Inc. ("Intrado Comm") herein files its letter of objection to the Missouri Public Service Commission Staff Motion for Cancellation of Certificate of Service Authority and Cancellation of Tariff of Intrado Communications Inc. (File No. XD-2011-0205). For the reasons discussed below, Intrado Comm requests that the Staff Motion for Cancellation be withdrawn.

Intrado Comm has been in active negotiations with AT&T for several months for an interconnection agreement that will allow Intrado Comm to provide service in Missouri. Intrado Comm anticipates that an interconnection agreement with AT&T will be executed by May 1, 2011.

Notwithstanding Intrado Comm's interconnection negotiations, Intrado Comm recently contacted Mr. John Van Eschen of the Missouri Public Service Commission staff, prior to the date of the Staff Motion, to discuss potentially expanding the service authority initially granted Intrado Comm in Case No. TA-2002-154.

Thank you for your attention in this matter. Should you have any questions, please do not hesitate to contact me.

Sincerely,
