**Re: Case No. GR-2004-0539 (Aquila Networks - MPS Investor (Gas))
YG-2004-1273**

Dear Sir:

On April 16, 2004, Aquila, Inc. d/b/a Aquila Networks - MPS ("Aquila") filed proposed tariff sheets reflecting a change in the Purchased Gas Adjustment (PGA) factors for Aquila's Northern, Southern and Eastern systems. Aquila also filed an associated Motion for Waiver Concerning Summer PGA filing. This matter was assigned the above-referenced case number and tracking number.

On April 20, 2004, the Commission issued an order approving the sale of Aquila's Eastern system in Case No. GM-2004-0244. Accordingly, it appears that the change to the Eastern system PGA factor that Aquila has proposed would be effective only for a very short time prior to the closing of the sale transaction. After conversations with the Commission Staff, Aquila hereby **withdraws** the following tariff sheet that proposed changes to the PGA factor for Aquila's Eastern system:

PSC MO. No. 5, 21st Revised Sheet No. 44.1, Cancelling PSC MO. No. 5, 20th Revised Sheet No. 44.1

If you have any questions, please do not hesitate to contact me.

Sincerely yours,

BRYDON, SWEARENGEN & ENGLAND P.C.
