In the Matter of the Application of Multiband, Inc.,    )  
for a Certificate of Service Authority to Provide        )  
Shared Tenant Services in the State of Missouri.       )  
**Case No. ZA-2006-0346**

### **ORDER DIRECTING FILING**

Issue Date: April 24, 2006

Effective Date: April 24, 2006

On March 6, 2006, Multiband, Inc., applied to the Commission for authority to provide private shared tenant services (STS). Multiband applied under Section 392.410, RSMo 2000, which provides that no telecommunications company not exempt from that subsection shall conduct any business in this state until it has a certificate of service authority. The Staff of the Commission recommends that the Commission grant the certificate.

The Commission granted the application to intervene of Southwestern Bell Telephone, L.P., d/b/a AT&T Missouri. On April 21, AT&T Missouri stated that it does not object to the Commission granting a certificate, but believes that the Commission should condition that certificate upon Multiband completing a negotiated agreement with AT&T Missouri for the lawful use of AT&T Missouri's facilities.

The Commission will give Multiband and Staff time to respond to AT&T Missouri's pleading.

**IT IS ORDERED THAT:**

1. If Multiband, Inc., and the Staff of the Commission wish to respond to the pleading filed by Southwestern Bell Telephone, L.P., d/b/a AT&T Missouri, they must do so no later than May 5, 2006.
2. This order shall become effective on April 24, 2006.
