STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and states:

1. On October 13, 2009, Velocity The Greatest Phone Company Ever, Inc. applied for certificate of service authority to provide interexchange telecommunications services and for competitive classification. Along with its application, Velocity submitted a tariff with an effective date of November 26 (Tariff File No. YX-2010-0262). On November 23, the effective date was extended to December 26, 2009.

2. In the attached Memorandum, labeled Appendix A, the Staff recommends that the Missouri Public Service Commission (Commission) grant Applicant a certificate to provide interexchange telecommunications services. The Commission shall grant an application for a certificate of telecommunications service authority upon a finding that the grant of authority is in the public interest. §§ 392.430 and 392.440 RSMo 2000.

3. Staff also recommends that the Commission classify the Applicant and the services it proposes to offer in its Application as competitive. The Commission may classify a telecommunications provider or its services as competitive if the Commission determines it is subject to sufficient competition to justify a lesser degree of regulation and that such lesser regulation is consistent with the protection of ratepayers and promotes public interest. §392.361.4. RSMo Supp. 2008. A majority of the services a competitive company provides must be classified as competitive. §392.361.3. RSMo Supp. 2008.

4. Staff further recommends that the Commission grant the waivers listed in the Notice of Applications. The Commission may waive the application of its rules and certain statutes if the Commission determines that waiver is consistent with the purposes of Chapter 392. §§ 392.185, 392.361.5 and 392.420. RSMo Supp. 2008.

5. The Staff further recommends that the Commission state in its order that, pursuant to Section 392.410, the authority conferred by the certificate of service authority shall be null and void unless it is exercised within one year of its issuance.

6. The Staff recommends that the Commission approve the presently suspended tariffs.

7. The Applicant is not delinquent in filing an annual report, paying the PSC assessment, MoUSF, and Relay Missouri.

WHEREFORE, Staff recommends that the Commission grant Velocity The Greatest Phone Company Ever, Inc. a certificate of service authority to provide interexchange telecommunications services, grant it the requested competitive classification, grant the standard waivers listed in the Commission's Notice of Application and approve the presently suspended tariff.

Respectfully submitted,
