STAFF MOTION FOR CANCELLATION

COMES NOW the Staff of the Missouri Public Service Commission and for its Motion, states as follows:

1. On September 8, 1994, Telecommunications Service Center, Inc. was granted authority to provide interexchange telecommunications services in File No. TA-94-386. Its tariff, JX-2003-0768, remains in effect.

2. As of the present date, the Missouri Secretary of State shows that Telecommunications Service Center, Inc. is administratively dissolved. The Company is listed in EFIS as "inactive," but does not appear to have been cancelled or to have its tariff cancelled.

3. Because Telecommunications Service Center, Inc. cannot lawfully operate in the State of Missouri, Staff moves the Commission cancel the certificate and tariff.

4. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides "[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

WHEREFORE, Staff recommends that the Commission cancel the Certificate of Service Authority and tariff for Telecommunications Service Center, Inc.

Respectfully submitted,

Colleen M. Dale, Senior Counsel
