**STATUS REPORT AND WITHDRAWAL OF MOTIONS TO CANCEL
CERTIFICATES OF SERVICE AUTHORITY**

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), by
and through the undersigned counsel, and to the Missouri Public Service Commission
("Commission") states as follows:

1. On November 23, 2011, Staff requested the cancellation of Velocity The
Greatest Phone Company Ever, Inc's ("Velocity") certificates of service authority and
associated tariffs to provide intrastate interexchange and basic local exchange
telecommunication services in the state of Missouri.

2. After several filings in the case, the Commission issued its *Order Directing
Filing Of Status Report* on April 16, 2012, directing Staff to file status reports on the first
business day of each month.

3. Since Staff's June status report, Velocity has corrected the deficiencies
within its calendar year 2009 and 2010 interexchange and basic local exchange annual
report filings. Therefore, Staff withdraws its pending *Motion to Cancel Certificate of
Service Authority* for Velocity to provide intrastate interexchange service and *Motion to*

Cancel Certificate of Service Authority for Velocity to provide basic local exchange service.

4. Since no other matters remain for resolution, Staff moves for the Commission to accept this status report and close the above-stated files.

WHEREFORE, the Staff submits this status report and moves for the Commission to close the above-stated files.

Respectfully submitted,

/s/ Jennifer Hernandez
