OF THE STATE OF MISSOURI**

In the Matter of the Petition of)	
Missouri-American Water Company for)	File No. WO-2021-0343
Approval to Establish an Infrastructure)	JW-2022-0056
System Replacement Surcharge (ISRS))	

MOTION FOR EXPEDITED TREATMENT

COMES NOW Missouri-American Water Company (“MAWC”), and for its Motion for Expedited Treatment pursuant to Commission Rule 20 CSR 4240-2.080(14), respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. MAWC filed its ISRS petition on June 28, 2021. By an *Order Approving Infrastructure System Replacement Surcharge and Rejecting Tariff* (“Order”) issued September 15, 2021, the Commission approved ISRS surcharge revenues in the amount of \$7,524,173, and authorized MAWC to file compliance tariff sheets conforming with Staff’s calculated ISRS rate.

2. The revised ISRS tariff sheet, Tracking No. JW-2022-0056 is attached hereto. Although the tariff bears an effective date 30 days after issuance, MAWC requests that the tariff be allowed to take effect for service rendered on and after October 7, 2021, or as soon thereafter as is reasonable.

3. Pursuant to Commission Rule 20 CSR 4240-2.080(14), MAWC submits that the tariff sheets are being filed in compliance with the Commission’s *Order*; and, the tariff sheet would implement rates in accordance with Sections 393.1000-1006, RSMo. in regard to plant that has been placed into service between January 1, 2021, and July 31, 2021, and which is currently used and useful and providing service to customers. Therefore, a grant of this Motion would provide rate recognition of this plant at a rate recognized by statute and is

in the public interest. MAWC further states that this Motion is being filed as quickly as possible after the Commission issued its Order.

WHEREFORE, MAWC respectfully requests an order of the Commission granting this motion and allowing the revised ISRS tariff sheet, Tracking No. JW-2022-0056, to take effect for service rendered on and after October 7, 2021, or as soon thereafter as is reasonable. MAWC requests such additional relief as is necessary or appropriate under the circumstances.

Respectfully submitted,
