**ORDER ESTABLISHING TIME FOR CATHY J. ORLER TO RESPOND
TO OBJECTIONS TO LATE-FILED HEARING EXHIBIT 105**

Issue Date: April 4, 2007

Effective Date: April 4, 2007

The Commission held a combined evidentiary hearing in these matters on February 28 through March 2, 2007.¹ After the hearing had adjourned, but while all of the

parties were still in attendance, Ms. Orler approached the presiding officer requesting to offer her rebuttal testimony from Case No. WA-2006-0480 into evidence. Ms. Orler stated that during the hearing Commissioner Murray and Commissioner Gaw had requested her to offer this testimony as a late-filed exhibit. Because the parties were all present, the presiding officer convened a conference on this matter and the parties agreed to allow Ms. Orler to offer the testimony subject to confirmation of the request when transcripts become available and subject to all customary and reasonable objections by the parties.

Ms. Orler was directed to submit this testimony as a late-filed exhibit, marked as Exhibit Number 105, no later than March 12. The presiding officer also instructed the parties that this exhibit would not be received into evidence until the presiding officer had ruled on any objections from any of the parties, and a deadline was set for those objections to be filed.

Ms. Orler timely filed the Exhibit 105 on March 12. Folsom Ridge, LLC and Big Island Homeowners Water and Sewer Association, and the Staff of the Missouri Public Service Commission have filed timely objections to the admission of this exhibit. Ms. Orler will be given an opportunity to respond to those objections.

IT IS ORDERED THAT:

1. No later than April 13, 2007, Cathy J. Orler shall file with the Commission any responses she wishes to direct to the objections filed to the admission of hearing Exhibit 105.

2. This order shall become effective on April 4, 2007.
