**APPLICATION TO INTERVENE
OF THE MISSOURI INDUSTRIAL ENERGY CONSUMERS**

Comes now The Boeing Company, DaimlerChrysler, Ford Motor Company, Hussmann Refrigeration, Monsanto Company and Pharmacia, hereafter referred to as the Missouri Industrial Energy Consumers ("MIEC"), and pursuant to the Commission's May 29 order in this case and pursuant to 4 CSR 240-2.075 and 4 CSR 240-2.080, files its Application to Intervene. In support of its Application to Intervene, the MIEC states as follows:

1. The MIEC is a group of large customers of Missouri-American Water Company, and the rates, terms and conditions of the MIEC's water service will be affected by the outcome of this case;
2. The MIEC's interest in this case is to ensure that Missouri-American Water Company provides water service to the MIEC under reasonable terms and conditions at just and reasonable rates;
3. As a group of large customers of Missouri-American Water Company, the MIEC's interest in this proceeding is different than that of the general public;
4. The MIEC does not yet have sufficient information to take a position regarding Missouri-American Water Company's Application, but reserves the right to take positions on all issues that may affect its members in this case.

WHEREFORE, the MIEC requests that the Commission grant its Application to Intervene herein and make it a party to this case for all purposes.

Respectfully submitted,
