

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

Cancellation of Certificate of Service)	
Authority and Cancellation of Tariff of)	File No. XD-2011-0190
Consolidated Telecom, Inc.)	

WITHDRAWAL OF STAFF MOTION

COMES NOW the Staff of the Missouri Public Service Commission and states as follows:

1. On December 29, 2010, the Staff filed a Motion to Cancel the certificate of service authority granted on September 28, 2002, to Consolidated Telecom, Inc. ("the Company"), because it reported no Missouri jurisdictional revenue for the past two years. Staff's motivation for its filing was not to be punitive, but to merely remove those telecommunications companies not actively involved in providing services in Missouri to better maintain the Commission's records.

2. On December 30, 2010, the Staff received the attached e-mail, in which the company indicates that it is actively seeking to conduct telecommunications business in Missouri. The Staff's Motion, if granted, could impede the Company's attempt to begin offering telecommunications services in Missouri, which the Staff views as an undesirable result.

WHEREFORE, Staff withdraws its Motion to cancel the Certificate of Service Authority and tariff for Consolidated Telecom, Inc. and asks that this matter be closed without further Commission action.

Respectfully submitted,

Colleen M. Dale

Subject: Tariff revocation

Dear Cully,

In accordance with our conversation today I'm writing you this e-mail. Although Consolidated Telecom, Inc currently does not have any business or revenues in Missouri we request that you dismiss the motion to revoke our tariff and certification. We are currently sending out proposals and submitting RFP'S in hope to obtain business in your state. Although I can not be certain we will obtain business in Missouri our ability to do business and maintain PUC certification is important in that process. As you advised, I can keep you informed should we be unable to obtain business in Missouri. I understand the administration is burdensome and expensive by the State. I will try to advise you along the way. If you have questions or need additional information, please contact me.
