MOTION TO CANCEL CERTIFICATE OF SERVICE AUTHORITY

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through the undersigned counsel, and moves for the Missouri Public Service Commission (Commission) to cancel the certificate of service authority of Yak Communications (America), Inc., (Company). For its Motion, Staff respectfully states as follows:

1. On October 3, 2003, the Commission granted a Certificate of Service Authority to the Company to provide intrastate interexchange telecommunications services in the state of Missouri in Case No. XA-2004-0104.

2. On April 23, 2012, the Commission received a request from the Company to cancel its certificate of service authority. (See BCES-2012-1524).

3. Because the Company requested cancellation of its certificate and it is not providing service in Missouri, the Staff recommends the Commission cancel the certificate.

4. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

5. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

6. The Company is current on the filing of annual reports and payment of fiscal year assessments.

WHEREFORE, Staff recommends the Commission cancel the certificate of service authority of Yak Communications (America), Inc., to provide intrastate interexchange telecommunications services in the state of Missouri.

Respectfully submitted,

/s/Jennifer Hernandez
