ORDER DIRECTING FILING OF STATUS REPORT

Issue Date: April 16, 2012

Effective Date: April 16, 2012

On November 23, 2011, the Staff of the Missouri Public Service Commission filed a motion for the cancellation of the certificates of service authority and associated tariffs held by Velocity The Greatest Phone Company Ever, Inc. ("Company"). The Commission issued an order on November 29, 2011, directing any party to file responses to the Staff's motion for cancellation no later than December 9, 2011. The Commission granted the parties an extension of time on December 9, 2011 and January 10, 2012 to file responses.

On February 21, 2012, Staff filed a *Staff Status Report* stating that the Company had requested corporate reinstatement with the Missouri Secretary of State, and Staff was waiting on documentation of reinstatement in anticipation of withdrawing its motion of cancellation. No further responses were filed by either party subsequent to February 21, 2012, so the Commission will require the filing of a status report.

THE COMMISSION ORDERS THAT:

1. Velocity The Greatest Phone Company Ever, Inc. and the Staff of the Missouri Public Service Commission shall file a joint status report no later than May 1, 2012, and shall subsequently file a joint monthly status report on the first business day of each month thereafter, until such time as this case is closed.
2. If the Commission's Staff has not received from the Company sufficient documentation for withdrawing its motion for cancellation by August 1, 2012, then the Company shall show cause why the Company's certificate of service authority and accompanying tariff should not be cancelled.
3. This order shall become effective immediately upon issuance.

by delegation of authority pursuant to
