

# MEMORANDUM

**To:** Missouri Public Service Commission Official Case File  
Case No. XN-2011-0371

**From:** William Voight  
Supervisor, Rates and Tariffs  
Telecommunications Department

**Subject:** Staff's Recommendation to Approve Name Change and Tariff Adoption  
Notice and Title Sheet of Associated Network Partners, Inc.

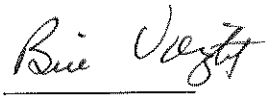

**Date:** June 2, 2011

On May 13, 2011, Associated Network Partners, Inc. (ANPI) provided notice of its name change to ANPI, LLC. The Telecommunications Department Staff (Staff) has reviewed the company's revised tariff title sheet and tariff adoption notice and Staff recommends those items be approved and that the Commission approve the name change. Staff notes that a copy of customer notice was not submitted to the Commission; however, in this instance, the name change does not appear to be significant enough to cause customer confusion.

Therefore, the Staff recommends the Commission approve ANPI's proposed name change as soon as is practical.

The Staff is unaware of any other matter that affects, or that may be affected by this filing.

Under penalty of perjury, I affirm that the above statement is true and correct.
