**RE: Notice of Proposed Electric Provider Change**

To whom it may concern,

We are proud to announce the City of Higginsville electric department is planning an electric 3-phase line extension project near the Interstate 70/MO 13 Highway Junction area of Higginsville. The City of Higginsville is working with Evergy to acquire a small number of Evergy customers in said area. We are contacting you to notify you that you are one of the few customers potentially impacted by this transition in service providers.

This document is to provide you notice of our intent to acquire your service from Evergy. The City of Higginsville and Evergy are committed to making the conversion as seamless as possible for the customers affected. Contact information for both utilities is provided below should you have questions or concerns.
