BEFORE THE MISSOURI PUBLIC SERVICE COMMISSION

Notice of Syniverse Technologies, Inc.)
to cancel certificate of service)
authority in the State of Missouri)

NOTICE AND ATTESTATION

My name is David J. Robinson and I am Regulatory Affairs Director of Syniverse Technologies, Inc. (Syniverse)

I swear or affirm that I have personal knowledge of the facts stated in the Notice and Attestation, that I am competent to testify to them, and that I have the authority to make this Application on behalf of Syniverse. I swear or affirm that Syniverse Technologies serves no (zero) customers, operates no (zero) phone numbers and derives no (zero) revenue from intrastate telecommunication services in the State of Missouri.

On November 30, 2003 the Missouri Public Service Commission approved TSI Telecommunications Network Services, Inc.'s application to provide interexchange and nonswitched local exchange telecommunications services, restricted to providing dedicated private line services, in Case No. XA-2004-0187. TSI has since changed its name to Syniverse.

Syniverse has made the business decision not to be a competitive telecommunications carrier or pursue customers in the dedicated private line market in Missouri. For these reasons, Syniverse respectfully requests that our authority to offer competitive telecommunications services within the State of Missouri be cancelled and any associated tariffs withdrawn 30 days after the Commission's receipt of this Notice.

Further affiant sayeth naught,

Respectfully submitted this 20th day of MAY, 2010.
