Re: Completion of Transaction – Case No. XM-2005-0111

Dear Mr. Roberts:

On October 25, 2004, Advanced TelCom, Inc. (“ATI”) and Shared Communications Services, Inc. (“SCS”), by their attorneys, filed an Application regarding the transfer of ultimate control of ATI and SCS to Eschelon Telecom, Inc. The Commission dismissed the Application for lack of jurisdiction. However, in an abundance of caution, this letter is to advise the Missouri Public Service Commission that the transactions that were the subject of the dismissed Application were completed on December 31, 2004. As described in the Application, there is no change in the carriers providing service to customers; accordingly the change in control will not have any adverse impact on those customers. Please note that the Missouri Public Service Commission contact for ATI and SCS from this point forward is:

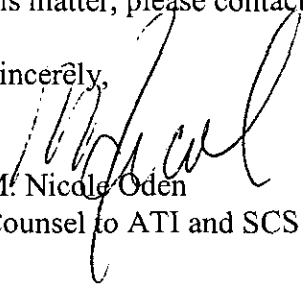

Catherine A. Murray, Manager, Regulatory Affairs, 730 Second Avenue South, Suite 900, Minneapolis, Minnesota 55402, (612) 436-1632.
