File No. XD-2014-_____

**MOTION TO CANCEL CERTIFICATES OF SERVICE AUTHORITY
AND ASSOCIATED TARIFF**

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through the undersigned counsel, and moves for the Missouri Public Service Commission (“Commission”) to cancel the certificates of service authority and associated tariff of Mobilitie, LLC (“Mobilitie” or “Company”). For its Motion, Staff respectfully states as follows:

1. On March 26, 2007, the Commission granted a certificate of service authority to Mobilitie to provide interexchange and non-switched local telecommunications services, restricted to providing dedicated private line services, in the State of Missouri in Case No. XA-2007-0299 and approved the tariff assigned tracking number YX-2007-0554.

2. The Commission's Order granting Mobilitie its certificates reminded the Company of its obligation to file an annual report pursuant to Section 392.210, RSMo.

3. Section 392.210.1 RSMo (2000) requires every telecommunications company to “...file with the commission an annual report at a time and covering the yearly period fixed by the commission,” and Rule 4 CSR 240-3.540(1) requires the report to be filed on or before April 15th of each year.

4. At the time of this filing, the Company has not submitted its calendar year 2012 annual report.

5. Despite Staff's attempt to contact Mobilitie, the Company has continued to be delinquent in the filing of its calendar year 2012 annual report.

6. Due to the Company's continued neglect of the Commission's statutes, rules and orders, Staff moves for the Commission to cancel Mobilitie's certificates of service authority and associated tariff.

7. The Commission has the authority to cancel a telecommunications certificate pursuant to Section 392.410.5 RSMo 2000, which provides "[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

8. The Commission need not hold a hearing if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

9. If the Commission cancels Mobilitie's certificates of service authority, the Staff also recommends the Commission order the Company to provide notice to the Commission when transfer of its customers to another provider is complete.

WHEREFORE, Staff recommends the Commission give notice to Mobilitie, LLC, as required by law and, after the opportunity for hearing, cancel its certificates of service authority and associated tariff to provide interexchange and non-switched local telecommunications services, restricted to providing dedicated private line services, in the State of Missouri. Staff further requests that the Commission require the Company to notify the Commission when transfer of customers to another provider is complete.

Respectfully submitted,
