Staff Recommendation in Support of
Recognition of Name Change

Comes now the Staff of the Missouri Public Commission (“Staff”), by and through its undersigned counsel and states as follows:

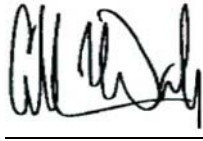

On April 22, 2009, Inter-Tel NetSolutions, Inc., (“the Company”), a company certificated as an interexchange telecommunications and a competitive local telecommunications company, notified the Commission that the Company was changing its name to Mitel NetSolutions, Inc.

The Public Service Commission Staff reviewed the Company’s notice and attachments, which included documentation showing the new name’s registration with the Missouri Secretary of State and properly changing the Company’s name on its tariffs. In addition, the Staff notes that the Company is not delinquent in its annual report filings and payment of PSC assessment, Missouri Relay remittances and MoUSF remittances. Notice of the name change has been given to the Company’s customers. The Staff recommends that the Commission recognize the Company’s name change (see attached recommendation).

Wherefore, the Staff prays that the Commission:

1. Recognize the company’s name change by changing the name under which the Company is found in the Commission’s records.
2. Approve the Company’s tariffs adopting the name change or allow them to go into effect by operation of law.

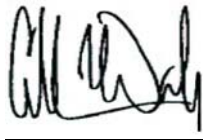

Respectfully submitted,
