ORDER DIRECTING FILING

Issue Date: October 2, 2008

Effective Date: October 2, 2008

The Commission orders PNG Telecommunications, Inc., (“PNG”) to file an amendment to, or withdrawal of, its request for name change (“request”).

The Commission’s regulations provide that a request must include:

A statement, clearly setting out both the old name and the new name[.¹]

That language describes a name change as singular in number, and restricts each request to one new name, because the Commission’s electronic filing system can address only one new name per case number.

PNG may file an amendment to its request deleting one of the new names and file a new request for the deleted new name. In the alternative, PNG may withdraw its request and file new requests, one for each name. In either event, PNG shall accompany any new request with a motion to consolidate its pending requests.

¹ 4 CSR 240-2.060(5).

THE COMMISSION ORDERS THAT:

1. PNG Telecommunications, Inc. shall amend or withdraw its request for name change, and shall accompany any new request with a motion to consolidate its pending requests.
2. The terms of this order are in addition to those set forth in the Commission's order dated September 29, 2008.
3. PNG Telecommunications, Inc. shall comply with this order no later than October 10, 2008.
4. This order is effective immediately upon issuance.
