

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Kansas City Power & Light)
Company's Request for Authority to Implement) Case No. ER-2014-0370
A General Rate increase for Electric Service)

**APPLICATION TO INTERVENE OF
THE MISSOURI INDUSTRIAL ENERGY CONSUMERS**

Come now the Missouri Industrial Energy Consumers (“MIEC”) and, pursuant to 4 C.S.R. 240-2.075 and the Commission’s October 31, 2014 *Order Directing Notice, Setting Intervention Deadline, and Setting Procedural Conference*, files its application to intervene. For its application, the MIEC states as follows:

1. The MIEC is a Missouri corporation, and the members of the MIEC include large industrial customers of Kansas City Power & Light (“KCP&L”).
2. As some of its members are large industrial customers of KCP&L, the MIEC’s interest is different than that of the general public and may be adversely affected by a final order arising from this case.
3. The MIEC opposes the relief sought by KCP&L in this case, and reserves the right to take positions on specific issues as this case proceeds.
4. The MIEC’s intervention will serve the public interest by assisting the Commission’s record for decision in this case.

WHEREFORE, the MIEC requests that it be permitted to intervene and be made a party to this case for all purposes.

Respectfully submitted,

BRYAN CAVE, LLP
