ORDER APPROVING FUEL ADJUSTMENT CLAUSE TRUE-UP

Issue Date: September 9, 2015

Effective Date: September 24, 2015

On July 24, 2015, Union Electric Company d/b/a Ameren Missouri submitted an application containing its Fuel Adjustment Clause ("FAC") true-up filing. Ameren Missouri identified the amounts under-recovered during the sixteenth recovery period (October 2014 through May 2015).¹

The Commission's rule regarding fuel adjustment clauses requires the Commission's Staff to examine the information submitted by Ameren Missouri and to submit a recommendation within 30 days.² Staff filed its recommendation on August 24. Based on its examination and analysis of information filed by Ameren Missouri, including the direct testimony of Erik Wenberg, and supporting schedules, Staff recommends the Commission approve Ameren Missouri's true-up filing amounts of \$645,136 under-recovery from customers during the sixteenth recovery period, plus interest of \$269,921, for a total adjustment of \$915,057.

¹ The under-recovery is due to the difference between the estimated KWh sales and the actual sales recorded.

² 4 CSR 240-20.090(5)(D).

The true-up over-recovery amounts are included in Ameren Missouri's FAC filing for the accumulation period of February 1, 2014 through May 31, 2014, which is currently before the Commission in File No. ER-2016-0016.

More than ten days have passed since Staff filed its recommendation. No party has filed a response to the recommendation. Based on the direct testimony of Erik Wendberg, as well as the uncontested recommendation of Staff, the Commission will approve Ameren Missouri's true-up filing.
