Re: Corban Communications, Inc.
Case No. XA-2004-0045

Dear Judge Roberts:

The Staff has asked the applicant to clarify an omission from its application. This is to advise that Applicant has no pending actions or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or customer rates, which action, judgment or decision has occurred within three (3) years of the date of the Application. Since it is a new applicant, there are no annual reports or fees overdue the Commission for the company.

Would you please consider the above as a supplement to the application. Thank you very much.

Very truly yours,

NEWMAN, COMLEY & RUTH P.C.
