## Buying an Electric Car

Looking for a car? Consider an electric vehicle!

Electric cars are fuel efficient, low maintenance and fun to drive. Get to know electric cars — and see how well an electric vehicle fits into your life.

For a limited time, get a [special group buy price](http://www.metroenergy.org/index.php/nissan-leaf-2016-group-buy/) on a Nissan LEAF — \$10,000 off the sales price, plus up to \$7,500 additional off in federal tax incentives.

Thank you to the 1,000+ public charging stations in the [KCP&L Clean Charge Network](http://www.kcpl.com/about-kcpl/environmental-focus/clean-charge-network), Kansas City is becoming a hotspot for driving electric. Now, it's also one of the best times to buy electric!

[Get Special Pricing on a Nissan Leaf.](http://www.metroenergy.org/index.php/nissan-leaf-2016-group-buy-draft/)

These electric car-friendly dealerships are primed and ready to answer your questions and provide electric vehicles for test drives.

Drive the future. Drive electric!
