File No. ER-2016-0164

ORDER APPROVING FUEL ADJUSTMENT CLAUSE TRUE-UP

Issue Date: February 10, 2016

Effective Date: March 1, 2016

On December 30, 2015, KCP&L Greater Missouri Operations Company (“GMO”) filed an application for its fourteenth Fuel Adjustment Clause (“FAC”) true-up filing. The filing identifies the under-recovery of GMO’s FAC for the 12 months in Recovery Period 14 (September 1, 2014 through August 31, 2015). GMO operates in two rate districts, “MPS” and “L&P.” During Recovery Period 14, GMO states that it under-recovered \$867,009 from customers in its MPS rate district, and under-recovered \$138,762 from customers in its L&P rate district.

The under-recovered amounts for the MPS and L&P rate districts, including accumulated interest, are included in GMO’s calculation of its proposed Fuel Adjustment Rates in the FAC adjustment filing currently before the Commission in File No. ER-2016-0165. On January 29, 2016, the Commission’s Staff filed a recommendation on GMO’s true-up filing, as required by Commission rule 4 CSR 240-20.090(5)(D). Based on its examination and analysis of information filed by GMO, including the direct testimony of Linda Nunn, and supporting schedules, Staff recommends the Commission approve GMO’s true-up filing amounts for Recovery Period 14.

Based on the direct testimony of Linda Nunn and the uncontested recommendation of Staff, the Commission will approve GMO's true-up filing. The Commission will allow this order to go into effect in less than thirty days so that it may coincide with the Commission's order in File No. ER-2016-0165.

THE COMMISSION ORDERS THAT:

1. KCP&L Greater Missouri Operation Company's true-up filing for the fourteenth recovery period (September 1, 2014 through August 31, 2015) is approved.
2. This order shall be effective on March 1, 2016.
3. This file shall be closed on March 2, 2016.
