STAFF REQUEST FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation states:

1. On June 22, 2011, the Commission received a notification and tariffs bearing an effective date of July 22, 2011, which reflect the name change of Norlight Telecommunications, Inc. to Windstream NTI, Inc.

2. Although the Staff review is almost complete, certain confusion about the tariff remains. The Company has expressed a willingness to rectify the situation within the next several days, after which the Staff will be able to file its Recommendation. In addition, the correction will not require that the tariff effective dates be extended.

WHEREFORE, the Staff requests an extension of time in which to file its recommendation until July 21, 2011.

Respectfully submitted,
