File No. XN-2013-0414

NOTICE RECOGNIZING CHANGE OF NAME AND ORDER DIRECTING FILING

Issue Date: March 27, 2013

Effective Date: April 6, 2013

On March 7, 2013 Arizona Telephony Brokers, L.L.C. filed an adoption notice changing its name to Broadband Dynamics, L.L.C. That adoption notice became effective by operation of law on March 17.

On March 26, the Staff of the Commission filed a pleading recommending that the Commission recognize the name the change. Staff, however, informs the Commission that the Missouri USF Administrator has been unable to contact the company in order to conduct an audit for Missouri USF purposes. Staff therefore recommends that the Commission direct the company to update its contact information in the Commission's Electronic Filing Information System (EFIS) and to respond to the USF Administrator.

The Commission has reviewed Staff's recommendation and takes notice recognizing the company's name change from Arizona Telephony Brokers, L.L.C. to Broadband Dynamics, L.L.C. The Commission will also direct the company to update its contact information in EFIS and to respond to the Missouri USF Administrator. If the company fails to do so, the Commission will, herein, direct Staff to file a complaint.

THE COMMISSION ORDERS THAT:

1. Broadband Dynamics, L.L.C. shall, no later than April 26, 2013, update its contact information in the Commission's Electronic Filing Information System and respond to the Missouri USE Administrator.

2. The Staff of the Commission shall file a complaint against Broadband Dynamics, L.L.C. if the company fails to comply with the Commission's directive in ordered paragraph #1, above.

3. This order shall become effective on April 6, 2013.

4. This file shall be closed on April 7, 2013.
