Dear Colleague:

Enclosed is a copy of the report, prepared by the Vermont Public Utility Commission, of a year-long investigation into promoting electric vehicle ownership and use in Vermont. Our staff had the benefit of testimony and information provided by nationwide stakeholders and have assembled a wealth of valuable information that may be of assistance to you and your staff as you study how to substantially increase the ownership and use of electric vehicles. Additional materials, including all the filings received by the Vermont Public Utility Commission, can be found at: <https://in.epuc.vermont.gov:8443/sustain/cms/case?caseId=134378>.

Sincerely,

A handwritten signature in blue ink, appearing to read "A. Roisman".
