d/b/a Ameren Missouri's Tariffs to Decrease    ) **File No. ER-2019-0335**  
Its Revenues for Electric Service             )

## ORDER DIRECTING RESPONSES

Issue Date: March 5, 2020

Effective Date: March 5, 2020

The Commission directs each party to respond stating if it is willing to provide an alternate stipulation and agreement that includes any or all of the following:

1. Allowing residential net-metering customers to select any rate options offered to other residential customers.
2. Enhancing the default time of use (TOU) rate so that the peak period is significantly shorter and has a much greater pricing differential relative to the off-peak period than the currently proposed default TOU rate.
3. Submitting to the Commission timely status reports after the monthly customer engagement meetings identified in Paragraph 27 of the Corrected Non-Unanimous Stipulation and Agreement. The status reports would detail the agreed to educational/communication programs. In addition, Ameren Missouri would present at Agenda in either June or July 2020, details of the customer outreach plans prior to their initiation.

### THE COMMISSION ORDERS THAT:

1. No later than March 9, 2020, the parties shall each respond to the question of their willingness to provide an alternate stipulation and agreement with any or all of the provisions set out in the body of this order.

2. If the parties agree to submit an alternate stipulation and agreement with any or all of the above modifications, they shall do so no later than March 10, 2020.

3. This order is effective when issued.
