STATE OF MISSOURI**

In the Matter of KCP&L Greater )  
Missouri Operations Company's )  
Request for Authority to Implement )  
A General Rate Increase for )  
Electric Service )

**Case No. ER-2018-0146**

**STAFF'S RECOMMENDATION REGARDING REVISED TARIFFS**

**COMES NOW** the Staff of the Missouri Public Service Commission, by and through counsel, states as follows for its recommendation regarding the Company's Revised Compliance Tariffs; to-wit, that the same should be **APPROVED** for service rendered on and after December 6<sup>th</sup>, 2018, because Staff has examined the proposed sheets and determined that they comply with the Commission's approval of the four Stipulations and Agreements, embodied in its *Order Approving Stipulations and Agreements* ("Order"), issued October 31, 2018.

Staff would like to note that the first *Non-Unanimous Partial Stipulation and Agreement*, filed on September 9, 2018, included a "stub period benefit" reflecting the Tax Cut and Jobs Act of \$29.3 million, based on a December 29, 2018 effective date of rates, to be returned to customers via bill credits. This amount will be prorated due to an earlier effective date of rates.

**WHEREFORE**, Staff prays that the Commission will issue an order that approves the following proposed tariff sheets, as filed on November 6, 2018, and substituted on November 9 and November 16, 2018, for service rendered on and after December 6, 2018:
