

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of the Adjustment of Union	)	
Electric Company d/b/a Ameren Missouri's	)	<b><u>Case No. ER-2018-0255</u></b>
Fuel Adjustment Clause for the 27 <sup>th</sup>	)	Tariff Tracking No. YE-2018-0120
Accumulation Period	)	

**MOTION FOR CLARIFICATION AND CORRECTION OF ORDER RESOLVING  
ANNUAL FUEL ADJUSTMENT CLAUSE TRUE-UP AND TARIFF**

**COMES NOW** the Staff of the Missouri Public Service Commission, by and through counsel, and for its motion, states as follows:

1. On May 9, 2018, the Commission issued its Order Resolving Annual Fuel Adjustment Clause True-up and Tariff (Order). Page 3 of the Order misstates the amount of impact Ameren Missouri's requested adjustment would have on the bill of a typical residential customer:

"Ameren Missouri's requested adjustment would result in an increase in the bill of a typical residential customer of approximately \$0.27 per month."

2. The Staff Recommendation To Approve Tariff Sheet Regarding Change To The Fuel Adjustment Rates For Accumulation Period 27 (page 4) and attached verified Memorandum<sup>1</sup> (page 4) state the impact on a typical residential customer's bill to be an increase of \$2.07 per month, not \$0.27 per month as stated in the Order:

*"Based on a monthly usage of 1,015 kWh, the proposed change to the Secondary FAR would increase the Fuel Adjustment Charge [FAC] of an Ameren Missouri residential customer's bill by \$2.07, from \$0.27 to \$2.34 per month." (emphasis added)*

---

<sup>1</sup> Filed by the Staff on April 23, 2018.

3. Staff notes the above correction has no effect on the approval of the tariff sheet; it merely states the amount of impact to a typical residential bill as a result of the approval of the tariff sheet.

**WHEREFORE**, Staff prays the Commission accept its motion for clarification and correction of the Commission's Order.

Respectfully Submitted,

**/s/ Robert S. Berlin**
