4. Vistavox of MO, Inc., proposes to provide basic local exchange telecommunications services on a facilities and resold basis, throughout all exchanges currently served by the incumbent local exchange telecommunications companies of Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri, CenturyTel of Missouri, LLC d/b/a Centurytel and Spectra Communications Group, LLC d/b/a CenturyTel. The specific AT&T, Centurytel and Spectra exchanges within which Vistavox of MO, Inc., proposes to offer service are listed in the incumbent providers respective local exchange tariffs. Vistavox of MO, Inc., may seek authority to provide this service in other areas of the state in a subsequent proceeding.

5. Pursuant to this application Vistavox of MO, Inc. seeks to offer and provide all forms of basic local telecommunications service, including: POTS (Plain Old Telephone Service) to business and residential, ADSL to business and residential, ISDN to business and residential, HDSL to business, SDSL to business, T1-Private Line to business, Switch 56 KBPS (KiloBits Per

Second) to business, Frame Relay to business, Fractional T1 to business and residential and Domestic and International Long Distance to business and residential.

6. Vistavox of MO, Inc., possesses the technical and managerial expertise and experience necessary to provide the services it proposes. Description of backgrounds of Vistavox of MO, Inc.'s management, which demonstrate the extensive experience and expertise are attached hereto and incorporated herein by reference as **Exhibit 'C'**. Vistavox of MO, Inc. also possesses the necessary financial resources as set forth in attached **Exhibit D**. The statements contained in this Application are supported by the Affidavit of Shannon Hughes attached as **Exhibit E**.

7. Vistavox of MO, Inc., seeks classification of itself and its services as competitive.

8. Vistavox of MO, Inc., will offer basic local telecommunications service as a separate and distinct service in accordance with applicable law. Vistavox of MO, Inc. will give consideration to equitable access for all Missourians, regardless of where they might reside or their income, to affordable telecommunications services in Vistavox of MO, Inc.'s proposed service areas in accordance with applicable law.

9. Vistavox of MO, Inc., is willing to comply with all applicable Commission rules and is willing to meet all relevant service standards, including, but not limited to billing, quality of service, and tariff filing and maintenance in a manner consistent with the Commission's requirements for incumbent local exchange carriers with whom Vistavox of MO, Inc., seeks authority to compete. Additionally, Vistavox of MO, Inc., agrees that pursuant to Section 392.455(3) & (4) RSMo 2000, its service area shall be no smaller than an exchange. Consistent with the Commission's treatment of other certificated competitive local exchange telecommunications companies, Vistavox of MO, Inc., requests waiver of the following statutes

and regulations for Vistavox of MO, Inc. and its basic local exchange services offerings.

Statutes	Missouri Public Service Commission Rules
392.210.2 RSMo	4CSR 240-10.020
392.240.1 RSMo	4CSR 240.-3.545(2)(C)
392.270 RSMo	4 CSR 240.30.040
392.280 RSMo	4 CSR 240.3.550(5)(C)
392.290 RSMo	4 CSR 240-33.030
392.300.2 RSMo	
392.310 RSMo	
392.320 RSMo	
392.330 RSMo	
392.340 RSMo	

10. Vistavox of MO, Inc. further requests a temporary waiver of 4 CSR 240-3.510(1)(C). This rule requires that an application for a certificate of service authority to provide basic local exchange services shall include a proposed tariff with a forty-five day effective date. Vistavox of MO, Inc. finds it impossible at this time to develop tariffs to fully comply with this rule since Vistavox of MO, Inc. has not yet executed or received Commission approval of any interconnection and/or resale agreements with incumbent local exchange carrier(s). At such time as all facts necessary for the development of such tariffs are known to Vistavox of MO, Inc, it will promptly file said tariffs bearing no less than a 45 day effective date with the Commission in a manner consistent with the Commission's practice in similar cases. In any circumstance, applicant will file its proposed basic local exchange telecommunications service tariff no later than 30 days after Commission approval of applicant's interconnection and/or resale agreement.

11. Vistavox of MO, Inc. submits that the public interest will be served by Commission approval of this application because the proposed services will create and enhance competition and expand customer service options consistent with the legislative goals set forth in the federal Telecommunications Act of 1996 and Chapter 392 RSMo. Prompt approval of this application also will expand the availability of innovative, high quality, and reliable telecommunications services within the state of Missouri.

12. Vistavox of MO, Inc., submits that notwithstanding the provisions of Section 392.500 RSMo., as a condition of certification and competitive classification, Vistavox of MO, Inc., agrees that, unless otherwise ordered by the Commission, the originating and terminating switched exchange access rates of Vistavox of MO, Inc. will be no greater than the lowest Commission-approved corresponding access rates in effect for each ILEC within those service areas where Vistavox of MO, Inc., seeks authority to provide service. Additionally, pursuant to the Commission's Report and Order in Case No. TO-99-596, Vistavox of MO, Inc., agrees that if the ILEC in whose service area Vistavox of MO, Inc., is operating decreases its originating and/or terminating access rates, Vistavox of MO, Inc. shall file an appropriate tariff amendment to reduce its originating and/or terminating access rates within thirty (30) days of the ILEC's reduction of its originating and/or terminating access rates in order to maintain the cap on switched exchange access rates.

WHEREFORE, Applicant Vistavox of MO, Inc., respectfully requests that the Commission grant it a certificate of service authority to provide basic local telecommunications services as herein requested, classify Vistavox of MO, Inc. and its proposed services as competitive, and grant a waiver of the aforesaid statutes and regulations as requested in this Application.

Respectfully submitted,
