And Maintain Water and Sewer Systems in Jefferson)
County, Missouri)

Case No. WA-2015-0169

STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and for its *Status Report* hereby states:

1. On May 22, 2015, the Staff of the Missouri Public Service Commission filed a recommendation to approve TUK LLC's application subject to several conditions. The Office of Public Counsel stated that it has no opposition to Staff's recommendation and suggested conditions, except that it proposed that TUK file a new rate case within 18 months of a rate review by Staff after rates become effective. Staff has consented to this revised condition.

2. On September 1, 2015, the Commission ordered Staff to file a status report providing information about the current status of the case no later than September 8, 2015.

3. The parties have been working on a Stipulation and Agreement, but the terms have not all been decided or agreed upon by all parties to the case. Staff anticipates that a non-unanimous Stipulation and Agreement will be filed in the near future.

WHEREFORE, Staff submits its Status Report. If a Stipulation and Agreement is not filed within 30 days of this filing, Staff will file another Status Report.

Respectfully submitted,

/s/ Marcella L Mueth
