REQUEST FOR SCHEDULING OF PUBLIC HEARING

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and respectfully requests that the Missouri Public Service Commission (“Commission”) schedule a local public hearing in this matter as set forth below:

1. On April 8, 2015, the Commission ordered Staff to file a recommendation or status report no later than May 18, 2015, regarding the application of Ridge Creek Water Company, LLC (“Company”), for a certificate of convenience and necessity for a water system in an unincorporated area of Pulaski County, Missouri.

2. Staff has been working diligently to gather and process information for this case, but Staff has determined that there may be a number of issues related to customer service. In order to adequately understand and document these issues and to aid Staff in completing its report and recommendation, Staff believes a local public hearing would be appropriate.

3. Staff requests that a public hearing in this case be scheduled prior to May 18, 2015, to allow Staff to consider customer testimony in preparing its recommendation for the Commission.

WHEREFORE, Staff respectfully requests that a local public hearing in this matter be scheduled prior to May 18, 2015.

Respectfully submitted,

/s/ Marcella L. Mueth
