RE: Water Utility Small Company Rate Increase Request
MO PSC Case No. WR-2011-0037
Tariff ID #YW 2011 0365

Missouri Public
Service Commission

Dear Secretary:

Please withdraw the tariff sheets filed by the Company on January 18, 2011, with an effective date of March 4, 2011, suspended by the Commission on March 2, 2011 to April 18, 2011.

In addition, enclosed for filing with the Commission are an original and three copies of revised tariff sheets that include rate and language changes reflected in an Unanimous Agreement Regarding Disposition of Small Company Rate Increase Request (Disposition Agreement) between Tri-States Utility, Inc. (Company), the Commission Staff (Staff) and the Office of the Public Counsel (OPC) regarding the above-referenced small company rate increase request. The Company submitted the referenced rate increase request on August 13, 2010 under the provisions of the Commission's small company rate increase procedure.

Since the above-referenced Disposition Agreement is between the Company, the Staff and the OPC, the enclosed tariff sheets bear an effective date that is at least 30 days from the issue date, as is provided for by the small company rate increase procedure.

Consistent with the above-referenced Disposition Agreement, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$88,024 in the Company's annual water system operating revenues, and also contain all other provisions necessary to implement the terms of the Disposition Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,

Tom Kelley
Chief Operating Officer
Tri-States Utility, Inc.
