ORDER DIRECTING FILING

Issue Date: February 10, 2014

Effective Date: February 10, 2014

On February 7, 2014, the parties to this case filed a *Joint List of Issues, Order of Witnesses, Order of Cross-Examination, and Order of Opening Statements* (the "Joint Filing"). In the Joint Filing, the parties included with each identified issue the names of the witnesses who would offer testimony on each issue, but did not include any schedule stating when a particular issue would be addressed. It is beneficial to the Commissioners to anticipate when an issue will be addressed so that they can coordinate their schedules. The Commission will require Staff to file on behalf of the parties a supplement to the Joint Filing stating an estimated day of the hearing that each issue will be addressed.

THE COMMISSION ORDERS THAT:

1. The Commission's Staff shall coordinate and file on behalf of the parties no later than February 13, 2014, a supplement to the Joint Filing stating an estimated day of the evidentiary hearing that each issue identified in the Joint Filing will be addressed.

2. This order shall become effective immediately upon issuance.
