ORDER SCHEDULING A PROCEDURAL CONFERENCE

Issue Date: January 6, 2016

Effective Date: January 6, 2016

On November 12, 2015, KCP&L Greater Missouri Operations Company (GMO) filed an application with the Missouri Public Service Commission requesting a Certificate of Convenience and Necessity ("CCN") as authorized by Section 393.170, RSMo 2000. The CCN would authorize GMO to construct, install, own, operate, maintain and otherwise control and manage solar generation facilities in Jackson County, Missouri. GMO asks the Commission to approve its application by January 31, 2016.

The Office of the Public Counsel filed a motion on December 28, 2015, asking the Commission to schedule a procedural conference at which the parties may discuss a proposed procedural schedule for this case. The Commission finds Public Counsel's request to be reasonable and will schedule a prehearing conference at which the parties may discuss the establishment of a procedural schedule, as well as discovery questions and any other matters that may arise.
