**APPLICATION FOR INTERVENTION OF BRIGHTERGY, LLC**

COMES NOW Brightergy, LLC (“Brightergy”) and in support of its Application for Intervention states the following:

1. Brightergy is a limited liability company organized under the laws of the State of Missouri with its principal place of business at 1712 Main Street, 6th Floor, Kansas City, MO, 64108.
2. The issues KCP&L-Greater Missouri Operations Company (the “Company”) raises in this docket impact primary areas of business for Brightergy, which include the installation of solar photovoltaic systems.
3. As a major provider of solar generation services in the KCP&L and KCP&L-GMO service territories, Brightergy has a direct financial interest in the Company’s expansion of its solar generation portfolio, and as such has an interest in the proceedings different from that of the general public.
4. Brightergy’s unique set of expertise in the solar installation market will provide a perspective to the Commission’s decision making that would otherwise be lacking, and it is therefore in the public’s interest to allow Brightergy to intervene.
5. Correspondence, communications, orders and decisions in this case may be directed to Brightergy’s undersigned legal counsel.

6. Brightergy does not yet have a position on the issues in this case and reserves the right to take positions on specific issues as this case proceeds.

**WHEREFORE**, Brightergy respectfully requests that the Commission grant is Application for Intervention in the above-styled case.

Respectfully submitted,
