OF THE STATE OF MISSOURI**

In the Matter of the Application of MultiBand,)
Inc. For a Certificate of Service Authority to)
Provide Shared Tenant Services in the State of)
Missouri)

Case No. ZA-2006-0346

STAFF'S RESPONSE TO AT&T MISSOURI'S COMMENTS

COMES NOW the Staff of the Missouri Public Service Commission and for its response states:

1. This case is MultiBand, Inc.'s application for a certificate of service authority to provide shared tenant services.

2. Comments from Intervenor AT&T Missouri state its belief that it would be appropriate for the Commission to condition its grant of service authority to MultiBand on MultiBand's completion of an appropriate agreement with AT&T Missouri for the lawful use of AT&T Missouri's facilities and the approval of that agreement by the Commission.

3. Legal and factual issues concerning AT&T Missouri's claim that MultiBand has made unauthorized use of AT&T Missouri's facilities are beyond the scope of this certificate case. Granting MultiBand a shared tenant services certificate will neither foreclose nor prejudice the pursuit by AT&T Missouri of its claim. If MultiBand and AT&T Missouri are unable to resolve their differences, they may seek a remedy in an appropriate forum.

4. The Staff has previously filed its Memorandum stating that the application provides all requisite information and recommending approval.

WHEREFORE, the Staff recommends that the Commission enter an Order which grants MultiBand a certificate to provide shared tenant services and grants the requested waivers, but which does not include AT&T Missouri's suggested condition.

Respectfully submitted,

/s/ William K. Haas
