On August 28, 2008, House Bill 1779 became effective, modifying §392.420, RSMo 2000, so that it now provides, in pertinent part:

The commission is authorized, in connection with ... a certificate of interexchange ... service authority ... to entertain a petition to suspend or modify the application of its rules or the application of any statutory provision contained in sections 392.200 to 392.340 if such waiver or modification is otherwise consistent with the other provisions of sections 392.361 to 392.520 and the purposes of this chapter.

On September 16, 2010, Associated Network Partners, Inc. filed a petition with the Missouri Public Service Commission ("Commission") that the Commission waive certain rules and statutory provisions pursuant to Section 392.420, RSMo Supp 2009. Commission shall grant the requested waivers and allow the compliance tariff to become effective by operation of law.
