**NOTICE CLOSING CASE**

Issue Date: January 23, 2006

On February 18, 2005, Computer Network Technology Corporation ("CNT") filed with the Missouri Public Service Commission, its Application for authority to enter into a merger and transfer of control transaction with Condor Acquisition, Inc., and McDATA Corporation.

The Staff of the Commission filed its recommendation on March 23, 2005. Staff recommended the Commission approve the merger and transfer of control in that it is not detrimental to the public interest. The Commission approved the merger effective April 8, 2005. In addition, the Commission directed CNT to notify its Missouri customers of the transaction and advise them of their right to seek service from another carrier. Staff was directed to file a pleading in this case stating the condition had been met.

On April 7, 2005, CNT filed an Application for Rehearing for modification of the Commission's Order Approving Merger and Directing Filing. CNT requested the Commission remove the condition requiring CNT to notify its customers of the

transaction as the service to CNT's customers would not be interrupted or affected. The Staff of the Commission agreed with CNT's request to remove the notice requirement.

The Commission issued an Order Approving Merger on Rehearing effective April 29, 2005. On June 9, 2005, CNT, Condor Acquisition, Inc., and McDATA Corporation filed a letter informing the Commission that the transaction had been completed.

There remains no further action in this matter. Therefore, this case may be closed.
